

# 「Japan New Regulation」(JP24) Starts **in March 2014.** Are you ready for Japan Advance Filing Rules (AFR) ? **SANKYU** supports you all as Service Provider (SP) !!

## What's JP24 ?

### AFR Advance Filing Rules

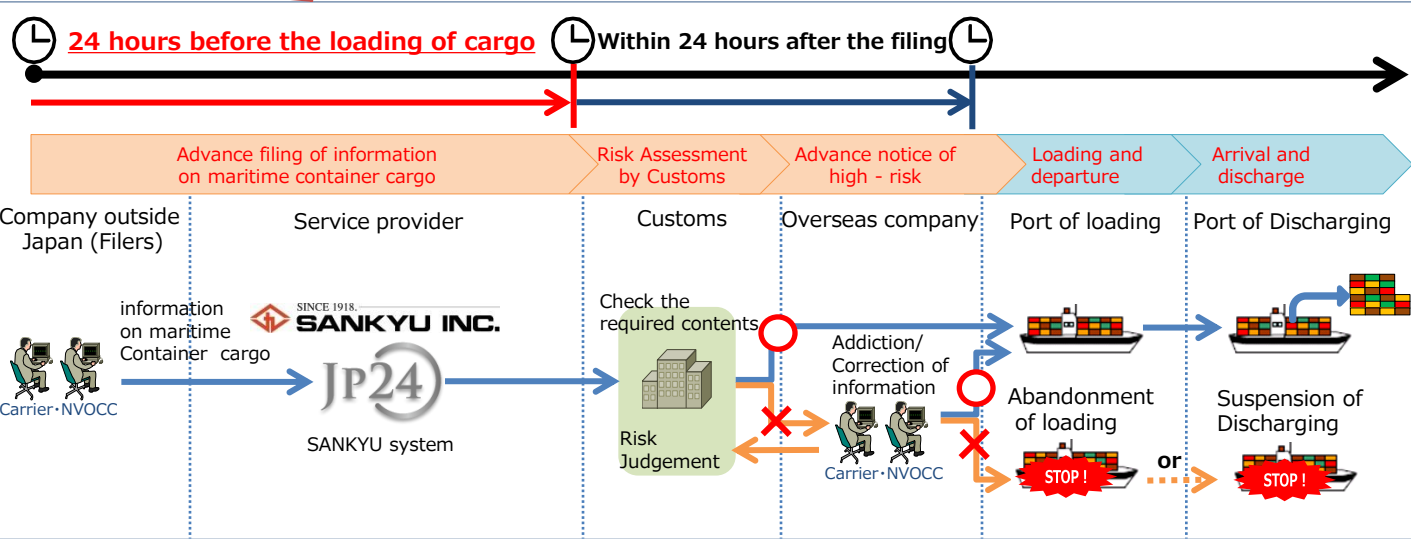

The Rules require to electronically submit information for maritime container cargoes to be loaded on a vessel intended for entry into a port in Japan, in principle **24 hours before departure** from a port of loading.  
 For preventing terrorism and transnational organized crimes, Japan Customs enhances security level of international logistics up to the international standard by screening detailed cargo information received at an early stage.

**! In case the Filers report via NACCS system, they must have the EDI system with NACCS, or report by using SP system !**

## Who obliged to file ?

<b>Filers</b>	<b>Carrier</b>	Cargo information based on the Master B/L level
	<b>NVOCC</b>	Cargo information based on the House B/L level
<b>How to report</b>		Filing in electronic form by utilizing NACCS
<b>Penal provisions</b>		Unloading is prohibited if it is failed to comply with filing obligations. (Article 16 of the Customs Law)
		If the file is not made until the filing deadline, a fine of 500,000 yen or less or imprisonment of up to one year (2 of Article 114 of the Customs Law)

## How's it changing ?

## The feature of Sankyu JP24SP
